

# CAL-VALLEY CONNECTION

## IMHOFF SUNLAND JOINS CAL-VALLEY!

Earlier this year, Imhoff Sunland Insurance merged with our agency to become part of Cal-Valley Insurance. Steve, Sandy, Gail, Mike and Corine are all a great fit to our staff and we are grateful to continue growing our stellar team to even greater heights. Welcome Imhoff Sunland Insurance!

## FRESNO BIG "I" GOLF TOURNAMENT

We had a great time participating in the 62nd Annual Fresno Big "I" Golf Tournament last week. Our Cal-Valley team shot a 66 on the day, not too bad. Thank you to Sunny Kaur from Imperial PFS for sponsoring us for this event.

## OUR NEW VISALIA OFFICE IS OPEN!

Last month we celebrated the Grand Opening of our new Cal-Valley Office in Visalia. Amy and Christy did a terrific job hosting and it was great to see so many people there giving their support. If you're in the area, feel free to stop by and say hello to Amy and Christy at 1019 N. Demaree Street, Suite A.

Thank you to everyone that was able to join us for our grand opening and thank you to the Central California Blood Center for partnering with us again for this special event.

## CVI BLOOD DRIVE

A few months ago we put on a local Blood Drive event at our Fresno Office. We've partnered with the Central California Blood Center a few times now and they are always in need of blood donations, so it was nice to see so many people there donating for a great cause. The Central California Blood Center got in touch with us shortly after the Blood Drive to inform us that our efforts had already helped to save a few lives, which was great to hear. Thank you to everyone involved in making our CVI Blood Drive a successful one and thank you to the Central California Blood Center for partnering with us for this event. We look forward to doing this again soon.

## THE GIANT RACE

Gail and her husband, Paul, just finished participating in the 3rd leg of the "Giant Race". This race is a charity event, sponsored by the San Francisco Giants, who partner with different charities. The first race was in Scottsdale, Arizona back in March, at the Giant's Spring Training stadium. The second race was at Raley Field in Sacramento, where the Giant's Triple A team plays. The 3rd leg, that they just completed, was in San Jose, where the Giant's Single A team plays and the final leg will be in San Francisco, where the race will finish at home plate inside AT&T Park.

The proceeds from these events go to a number of different charities... Leukemia & Lymphoma Society, Junior Giants, Team Red, White & Blue, and many more. Gail says that they have met so many wonderful people at these events and that it is very inspiring to see the dedication of our youth, who have been volunteering at all the different venues.

With 3 of the 4 legs in the Giant Race complete, Gail and Paul will finish the last leg in San Francisco this September. Wish them luck!

## QUARTERLY CHARITY UPDATE

### 1ST QUARTER

LACF

Another quarterly charity is in the books and we were happy to be able to raise \$540 for LACF, thanks to all of your referrals.

This organization supports and empowers families and youths to achieve educational and socioeconomic success through mentoring, leadership development and civil engagement. Throughout the years, the organization has worked with numerous students and youths in Fresno by pairing them up with college students as their mentors.

### 2ND QUARTER

COMMUNITY FOOD BANK

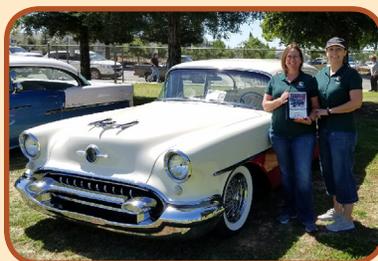

This quarter we have been supporting the Community Food Bank. This organization is dedicated to ending hunger in the Central Valley. They gather and distribute food, engage in partnerships for self-sufficiency, and provide community leadership on hunger issues.

Help us make a difference in our community. Now through the end of June, we are collecting non-perishable food and cash donations for the Community Food Bank. Please contact us to help!

## JEFFERSON ELEMENTARY 8TH ANNUAL CAR SHOW

Lisa and Rhonda once again represented Cal-Valley insurance at the Jefferson Elementary's 8th Annual Car Show. They look forward to this event every year. Lisa and Rhonda had a great time checking out all of the Classic Cars, Hot Rods, Modern Muscle Cars, Motorcycles, and a whole lot more, not to mention meeting all the people that were there as well. As always, they are looking forward to next year's show.

## CVI WELLNESS CONNECTION UPDATE

Since we started our Fitbit Wellness Program back in February, all of us here have been challenging one another to eat healthier and keep moving regularly.

In the first 4 months of our challenge, we have collectively walked over 25 million steps! Wish us luck going forward as we battle the summer heat.
