## Make-A-Wish Foundation

The Make-A-Wish Foundation helps fulfill wishes of children with a critical illness between the ages of 2 ½ and 18 years of age. When a wish comes true, it creates strength, hope and transformation in a child - and a community. A wish can give kids the strength to fight against and even overcome a critical illness. The Make-A-Wish Foundation has now made more than 250,000 dreams come true and hope to continue fulfilling many more wishes. A wish to a child renews their hope, uplifts their spirits and encourages the belief of the impossible.

Cal-Valley has had the privilege of supporting this amazing organization through the first 6 months of the year. Between our CVI Referral Program, AmazonSmile and donations given through our Wish Your Way page, we are happy to announce that we have raised a total of **\$4,647!** We are extremely happy with the overwhelming support we have received in our efforts. Even though we are now shifting our focus to our quarter 3 charity, our [Wish Your Way](#) page is still open for any last minute donations. If you'd like to learn more about the Make-A-Wish Foundation, you can click their logo above. We always enjoy working with Make-A-Wish and we look forward to working with them again someday.

## What Independence Day Means To Cal-Valley

The Fourth of July is always a great time to get together with friends and family to celebrate our nation’s independence. All of us at Cal-Valley had a great Fourth of July weekend and we hope you did too. We wanted to share some pictures from our time celebrating this great nation over the weekend, as seen below, but we also wanted to do something a little different this year. Usually, when people think of the Fourth of July, they think of festivities, fireworks, barbecues, picnics, and so on. However, people get so caught up in the celebration that rarely do we hear what Independence Day really means to people. We decided to ask our staff what Independence Day means to them, and here is what some of them had to say:

*“Independence Day means freedom to me. I feel extremely blessed to live in a country that allows us freedom of religion, speech and the right to vote, just to name a few. Many in the world do not share such privileges. While the US is not perfect, there is no other country I would rather live in!!”*

*“This powerful song (God Bless the USA) says exactly what Independence Day means to me. I pray for our country every day.”*

*“To me, Fourth of July means spending time with family, to celebrate America, in all of its glory. Even with its flaws, we are blessed to live in the greatest country on earth during its most prosperous time in history. God Bless America.”*

## Support the Blue Now

We’ve been able to get out to more events lately, and some of our staff recently attended a great event to help support the Fresno Police Department. This Freedom Celebration event was hosted by our friends over at Lion Real Estate and CA Home Loans, to honor our local law enforcement, and help highlight the Support the Blue Now organization. Police officers across the nation are openly and publicly experiencing verbal, social and physical attacks by the very citizens they are sworn to protect and serve. Support the Blue Now is an on-going effort to highlight and increase the public’s awareness of the extremely positive and important role that police officers have in maintaining our nation’s on-going safety and security. To learn more about Support the Blue Now, [click here](#) to visit the organization’s website.

### 3rd Quarter Charity

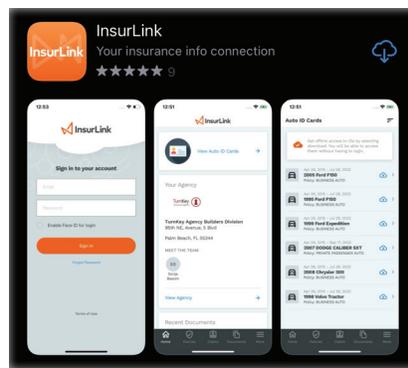

This quarter we have the pleasure of partnering with another great charity, the Fresno Mission. This organization has a mission to rescue, restore and empower through Christ-centered communities of transformation. The Fresno Mission partners with the Christian community, social service agencies, businesses, families, and individuals to meet the spiritual and physical needs of all men, women, and children in our community. They provide a safe haven and 24-hour service to those in desperate need - including food, shelter, and protective services. They offer vocational training, academic programs and spiritual counseling to those who need it.

The Fresno Mission is a great organization and if you'd like to learn more about it, or maybe make a donation, you can visit the Fresno Mission website by clicking the logo below.

### Insurlink Reminder

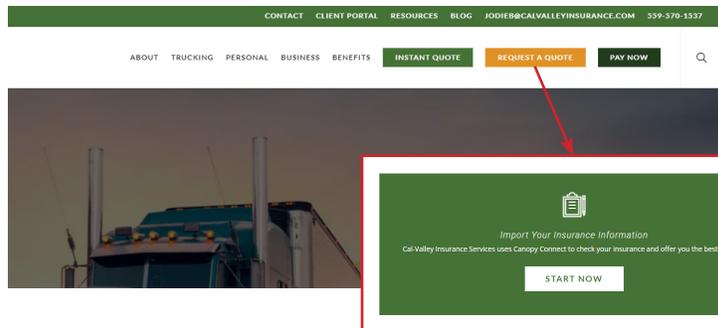

We just want to take the time to remind you all of a great tool, to use with your insurance, called Insurlink. Insurlink is a mobile app that gives you access to your insurance information whenever you need it, day or night. This app makes managing your insurance policies easier with 24/7 access to everything you need using your smart devices.

Insurlink allows you to issue certificates, exchange documents between you and your Account Manager, monitor your policies and more. With this app, you can even download your auto ID cards without the need of cellular service. Insurlink is available for free in iOS and Android app stores. If you haven't been using our Insurlink, and are interested, be sure to contact us to get set up.

### Canopy Connect

We are excited about acquiring another useful tool to help make the insurance process easier for everyone. We recently signed up with Canopy Connect, which is a program that allows clients and prospects to import all of their insurance information to us. We can receive declaration pages, vehicle and driver information, dwellings, claims, contact info, documents and more, instantly and securely. This method saves over 30 minutes of your time! You can import your insurance to us through our website, as shown below, or just ask your agent to send you a link.

Cal-Valley Insurance Services uses Canopy Connect to check your insurance

**Import My Insurance**

Click the **'Import My Insurance'** button on the following page, sign into your insurance company, and then simply import your insurance information.

Click the **'REQUEST A QUOTE'** button at the top of our website and then click the **'START NOW'** button on the following page.
