

CAL-VALLEY CONNECTION

Did You Know?

Planning a summer road trip? Before you hit the road, taking a few minutes to inspect your vehicle can help you avoid unexpected problems along the way. A little preparation before you leave can make a big difference, helping reduce the chances of a breakdown and giving you greater peace of mind while traveling.

Start by checking your tire pressure and tread, along with your engine oil, coolant, and windshield washer fluid. Make sure your battery is in good condition, your lights are working properly, and your windshield wipers are ready in case you run into summer storms. It's also a good idea to pack an emergency kit with items such as bottled water, a flashlight, jumper cables, a first aid kit, a phone charger, and a few basic tools.

Before leaving, confirm that your proof of insurance is easy to access and that your emergency contact information is current. If you're traveling a long distance, consider sharing your travel plans with a family member or friend and checking traffic and weather conditions before you leave. A little preparation before your trip can go a long way toward helping you enjoy a safer and less stressful journey. Wherever your summer travels take you, we wish you a safe and enjoyable trip!

Celebrating Independence Day

As Independence Day approaches, we'd like to take a moment to wish you and your family a safe and enjoyable holiday. Whether you're spending the weekend with family and friends, enjoying a backyard barbecue, watching fireworks, or simply taking some time to relax, we hope you have a wonderful Fourth of July.

Please note that **all Cal-Valley Insurance Services offices will be closed on July 3** in observance of the holiday. We will resume normal business hours on July 6 and look forward to assisting you with your insurance needs.

Cal-Valley Blood Drive

A few weeks ago, we had the opportunity to host another blood drive at our Fresno office in partnership with the Central California Blood Center. It was great to see people come together to support such an important cause. Throughout the day, donors stopped by to give blood, helping meet the ongoing need for blood donations throughout our community.

We're thankful to everyone who took the time to donate. Every donation provides a critical resource for local hospitals and patients, and it's a simple way to make a lasting impact. Seeing so many people willing to give a little of their time to help others was a great reminder of what can be accomplished when a community comes together.

A special thank you to the Central California Blood Center for partnering with us and helping make the event a success. We also appreciate everyone who participated and supported this year's blood drive. We look forward to hosting another successful event in the future.

Client Portal Spotlight

Did you know you can access your insurance information anytime through our secure Client Portal? Whether you're at home, in the office, or on the go, the Client Portal makes it easy to access many of your insurance resources in one convenient place. With just a few clicks, you can view policy information, download Auto ID cards, request certificates of insurance, access important documents, and more. Having this information available 24/7 means you can quickly find what you need without waiting for normal business hours. Whether you need information during business hours or after hours, the portal provides quick and secure access whenever it's most convenient for you.

The Client Portal is designed to be a convenient resource for both personal and business insurance clients, giving you secure access to important information whenever you need it. Whether you're away from home, at work, or traveling, it's an easy way to stay connected to your insurance information whenever it's most convenient for you.

If you haven't registered for the Client Portal yet or need assistance getting started, contact our office. We'll be happy to answer your questions and help you get connected.
